Academic
Tutoring Program

INDEX

Academic Training Modus Operandi

PHASE 1

CLASSROOM TRAINING:

- 3 hours of concepts classes per week per subject chosen (2 sessions of 1.5hrs).

- Assignments will be given to students in classes taught.

- The standard Batch size is between 4-6 students/ 1-1.

- Unit wise module test review session is a part of the Classroom training.

UNIT WISE MODULE TESTS:

- Students will be writing the test after every unit completion that will be based on the IB exam pattern.

- The report for the same shall be shared with the parents regularly.

REVISION MODULE:

- Recap of all the chapters/concepts covered to date depending on the upcoming school tests.

- Students who sign up for the full year program receive access to the revision module after each term.

- The test is focused on their respective school-specific exams.

FULL-LENGTH MOCK TEST

We finish the portions two months before the final exams

The last two months consists of full-length mock tests with Feedback sessions with faculty

The report for the same shall be shared with the parents timely
